Instruction

6th Grade: On days students are at home (distance learning)-

instruction will be asynchronous:

instructors set up a learning path, which students engage with at their own pace.

7th & 8th Grade: Students are starting distance learning every day-

instruction will be synchronous

instructor(s) are in the same place (virtually), at the same time, in order for learning to take place

Google Classroom

For asynchronous learning:

-All work will be posted under the "Classwork Tab"

-Teachers will post instructions for students to work independently.

Google Classroom

For synchronous learning:

-Teachers will post daily agenda, objectives, standards, assignments, and zoom links.
