

As part of our we collected new pairs of socks and underwear (for children and adults) to be donated to our families and local shelters. A box was located in the office and flyers were sent home to make parents, families, and friends aware of this program.

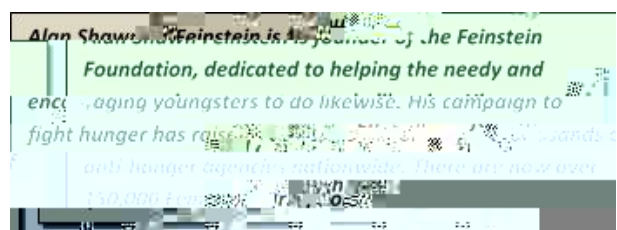

Flyers for November's went home the first week of November! We are in the process of collecting new (or gently used) hats, gloves, mittens, and scarves. Last year's donations all went right to our own students throughout the very harsh winter we had to endure. Another bad winter has been predicted for this year (UGH!), so let's be ready and make sure our students are ready as well!

During our Harvest Dance and Winter Breakfast, families donated canned goods that were then picked up by the Rhode Island Community Food Bank. Thank you for donating cans that directly helped families in our school community.

The Carnevale Dancers, made up of **Feinstein Junior Scholars**, performed at our school in the gymnasium on Thursday, December 5th @ 6:30 in the evening. The theme of the show highlighted Disney characters and \$200 was donated to the Rhode Island Community Food Bank.
